1. This form is to be used to guide the governors of Immanuel & St. Andrew School in admitting children under their Foundation Place criteria.
 2. The parents/carers of the child as stated below have applied for admission to Immanuel & St Andrew Church of England Primary School. This application has stated that they meet our foundation place criteria as follows:

Regular worshipper is defined as a person who has attended church at least fortnightly over the previous 12-month period. In exceptional cases, a person for whom unavoidable circumstances prevented their attending for this frequency and duration may be considered to be a faithful and regular worshipper; the relevant Minister will determine whether, or not, there were unavoidable circumstances. Those who have recently moved to the area and who worshipped previously in a different church will be asked to supply a reference from that church so that the full year period is covered. The governors do not give a higher preference to families where both parents worship. In the event that during the period specified for attendance at worship the church has been closed for public worship and has not provided alternative premises for that worship, the requirements of these (admissions) arrangements in relation to attendance will only apply to the period when the church or alternative premises have been available for public worship.

3. To be counted as “qualifying” the church must be a full member of Churches Together in England (www.cte.org.uk) or the Evangelical Alliance (www.eauk.org). Please note that we use the website “A Church near you, Church of England” to determine Parish Boundaries.
4. *The school is unable to accept any liability for reference forms not returned to us by the above date. If you should wish to check that the form has been received in time, please email Ms. Hamilton, School Administration Officer on admin@immanuelschoollambeth.org.uk*
