

Immanuel & St Andrew Primary School

Sport Premium funding for the 2025-2026 academic year

Funding summary	
The amount of PE and Sport Premium the school received for 2025-2026	£19,334
INTENT: Our approach to PE, sport and physical activity	
At Immanuel, we are committed to encouraging all pupils to follow an active and healthy lifestyle. We aim to ensure that all children, no matter their age or ability, are catered for appropriately. Staff have a passion for inclusivity and do their utmost to ensure every child is involved. We believe skills learnt through sport, including competitive and team sports, instil qualities such as resilience and determination that support children to navigate their way through life. We will continue to use the funding to develop PE, physical activity and sport at Immanuel. We will also use the funding to build capacity and capability within our school to ensure that improvements made now are sustainable and will benefit pupils joining the school in future years. The engagement of all pupils in regular physical activity – Chief Medical Officer guidelines recommend that: 1. Primary school pupils undertake at least 30 minutes of physical activity a day in school 2. The profile of PE, school sport and physical activity being raised across the school as a tool for whole school improvement 3. Increased confidence, knowledge and skills of all staff in teaching PE and sport 4. Broader experience of a range of sports and activities offered to all pupils 5. Increased participation in competitive sport	
IMPLEMENTATION: How we will use our PE Premium funding in 2025-2026	
Key indicator 1: The engagement of <u>all</u> pupils in regular physical activity	
• Increase participation in local sports tournaments, fixtures and festivals (including inclusive sports event) through membership of and liaising with our PE providers Moving Matters • Extend the school clubs offer in order for children currently receiving pupil premium funding to be invited and access free clubs using given funding • Increase participation in festivals and more inclusive tournaments • Engage children in more active play – through high quality sporting provision, maintaining playground equipment and investment into OPAL • Purchase PE and lunchtime play equipment resources to ensure that children have the resources to stay active during their play times and experience a range of sports/activities	
Key indicator 2: The profile of PE, sport and physical activity being raised as a tool for school improvement	
• Develop our school website, communications and displays to promote PE/sports, encourage increased participation and boost parent engagement. • Invest in specialist sports coaches to lead a variety of extra-curricular sports clubs in school and within curriculum time	
Key indicator 3: Increased confidence, knowledge and skills of all staff in teaching PE and sport	
• Through specific training increase confidence, expertise, knowledge and skills of the PE staff in teaching physical education. • Professional development to increase knowledge and skills of staff - CPD opportunities through Moving Matters	
Key indicator 4: Broader experience of a range of sports and activities offered to all pupils	
• Invest in specialist sports coaches to lead a variety of extra-curricular sports clubs in school. • Engage children in more active play – at playtimes and through OPAL • Provide a range of sports within extra-curricular sports clubs eg: basketball, athletics, gymnastics	

- Purchase PE and lunchtime play equipment resources to ensure that children have the resources to stay active during their play times and experience a range of sports/activities
- All children to have swimming lessons throughout KS2 (years 4-6)

Key indicator 5: Increased participation in competitive sport

- Increase participation in local sports tournaments, fixtures and festivals (including inclusive sports event) through membership of and liaising Moving Matters

Swimming Outcomes 2025 - 2026

Swim distance - Y6 children who were able to swim competently, confidently and proficiently over a distance of at least 25m	100%
Use strokes - Y6 children who could use a range of strokes effectively	100%
Self-rescue -Y6 children who could perform a safe self-rescue in different water-based situations	80%
Immanuel & St Andrew do not use the Primary PE and Sports Premium to provide additional provision for swimming as this must be for activity over and above the national curriculum requirements.
